Medicare allows a six month window to sign up for your plan, three months before and three months after your 65th birthday. You also have the opportunity to re-evaluate your plan to make any necessary changes on an annual basis during open enrollment which runs from October 15 - December 7.

If you would prefer to contact our team directly, at a time convenient for your schedule, please call us at (585) 410-6733 ext. 132.
