Putting
HR and PAYROLL
solutions at your fingertips

HR360

Your online HR department

HR360 is an interactive online human resource library that gives you access to attorney-reviewed HR tools, guidelines, forms, training videos and so much more. It is full of information that can help you supervise your employees, stay compliant with Health Care Reform, COBRA and FMLA, and comply with federal and state labor laws.

- » Employee handbook templates
- » Recruiting, managing and terminating
- » New-hire kits
- » Labor law guidelines and posters
- » Health care reform updates
- » Employee benefits
- » Safety and wellness

rapid!

PayCard®

rapid! PayCard is a great alternative to paper payroll checks. The rapid! PayCard provides your company with one of the most comprehensive paycard and ePayroll programs.

- » Improve the efficiency and effectiveness of your existing payroll process.
- » Create a great new employee benefit. With the mobile app, employees can access card balances, view transactions and enable text alerts.
- » Increase electronic direct deposit participation.
- » Streamline your payroll processing with 100% electronic payroll.
- » Eliminate the need for paper checks and wage statements.
- » Accepted everywhere debit cards are accepted.

OfficeDaily™

Intuitively simple business and HR tools

OfficeDaily is a powerful HR intranet and company portal. With OfficeDaily, your business can centralize, connect, share and manage your company culture and human resource related daily functions all in one place that is accessible to all employees.

OfficeDaily has something for every business...access one great feature or many features. It's easy to use and can do just about anything.

- » Manage and share time off
- » Time sheet/clock management
- » Sales tracking and CRM
- » Expense report management
- » Store handbooks and policies
- » Tech requests
- » Performance reviews
- » Company news and events
